

Part II -- Confidential Evaluation
(may be turned in separately)
B.S. Degree

Date: _____

The following information on courses, faculty and requirements will be used to strengthen our program. Your participation is appreciated.

.....

The statements that follow relate to the general characteristics of the FSU Computer Science department. Using the scale provided, please indicate the response to items 1-9 that best represents your opinion.

- 0 = Strongly Disagree
- 1 = Disagree
- 2 = No Opinion/Not Applicable
- 3 = Agree
- 4 = Strongly Agree

- | | | | | | |
|---|---|-----|-----|-----|---|
| 1. My academic advisor was available when I needed help. | 0 | 1 | 2 | 3 | 4 |
| 2. My academic advisor was knowledgeable about the requirements needed to complete my degree. | 0 | 1 | 2 | 3 | 4 |
| 3. There were adequate opportunities for students to interact with the faculty on an informal basis. | 0 | 1 | 2 | 3 | 4 |
| 4. The members of the faculty were concerned about students' learning and development. | 0 | 1 | 2 | 3 | 4 |
| 5. The required courses for my major provided the necessary breadth of knowledge and experience for subsequent elective courses in my area of interest. | 0 | 1 | 2 | 3 | 4 |
| 6. Sufficient elective courses were available in my area of interest. | 0 | 1 | 2 | 3 | 4 |
| 7. The knowledge and skills learned in the laboratory courses complement the theoretical and mathematical courses. | 0 | 1 | 2 | 3 | 4 |
| 8. The quality of instruction in the computer science department was good. | 0 | 1 | 2 | 3 | 4 |
| 9. If I could start over again, I would select the same major. | 0 | 1 | 2 | 3 | 4 |
| 10. How many papers did you write for courses in your major? | 0 | 1-3 | 4-9 | 10+ | |
| 11. Do you feel that this number of papers was sufficient for your major? | Y | N | | | |
| 12. How many oral presentations did you give for courses in your major? | 0 | 1-3 | 4-9 | 10+ | |
| 13. Do you feel that this number of presentations was sufficient for your major? | Y | N | | | |

	5-10	11-20	21-35	36+
14. How many programs did you write for courses in your major?				
15. I can design and implement software solutions in more than one language for a variety of complex problems.	0	1	2	3 4
16. I am able to make clear and informative oral presentations on programs I have written or have developed with a group.	0	1	2	3 4
17. My computer science education equipped me to successfully enter the computer industry or to pursue a graduate degree.	0	1	2	3 4
18. I am aware of both the societal impacts of computers and the ethical responsibilities of computing professionals.	0	1	2	3 4
19. I can competently document programs I have written or in which I have participated in writing.	0	1	2	3 4
20. I have a sound foundation in the theoretical and mathematical bases of Computer Science.	0	1	2	3 4
21. The equipment in the majors lab was adequate.	0	1	2	3 4
22. The lab setup was adequate and conducive to learning.	0	1	2	3 4
23. The lab workers provided adequate control and assistance.	0	1	2	3 4
24. The operating hours of the lab were sufficient for me to complete my programming assignments in a timely manner.	0	1	2	3 4

Free Response Section

Please respond to the following:

25. The instructor who influenced me the most was: _____

26. The CS course in which I feel I learned the *most* and its instructor were:

27. The CS course in which I feel I learned the *least* and its instructor were:

28. What did you like the *best* about your undergraduate education in computer science at FSU?

29. What did you like the *least* about your undergraduate education in computer science at FSU?

30. Please indicate any additional comments or recommendations that could help us provide a stronger program.
