You are cordially invited to Florida State University’s Department of Computer Science Homecoming Celebration on Thursday, October 25th, 2012. The celebration includes:

“Grad Made Good” speech by Mike Kirby, a 1997 Applied Mathematics and Computer and Information Sciences B.S. alumnus. Dr. Kirby received his Ph.D. from Brown University and currently is an Associate Professor of Computer Science in the School of Computing at University of Utah. Dr. Kirby’s speech will be held at the Dirac Science Library, Room 499 at 2:30PM.

Afterwards:

The FSU Computer Science Gathering will be held at Beef O’Brady’s
1800 Thomasville Rd. Tallahassee, FL
(Complementary hors d’oeuvres)
4:30PM - 6:30PM

Due to limited seating, please RSVP with the department via email to chair@cs.fsu.edu.

We look forward to your participation in our Homecoming events!
